- Upon receipt of each application, the Corporation shall designate an employee or the Credentials Committee to review the application for completeness, including whether the signatures on the petition represent a valid membership. Candidates will be notified of any defects in the application and petition and will be given the opportunity to cure the defects.
- Applicants notified of the defects must cure them and resubmit their application or petition no later than 45 days before the date of the meeting in order to be included on the ballot.
- The day after the deadline to submit applications the Corporation will determine whether the candidates are unopposed.

5. **Board Meeting.** The board will meet 40 days before the date of the annual meeting to: (a) select an independent election auditor; (b) finalize and approve the ballot, agenda and meeting packet for the member meeting; and (c) if applicable, pass a resolution declaring elected all unopposed candidates and direct that the resolution be posted at the Corporation's main office.

If there is more than one director position for which unopposed candidates are declared elected and the terms are not for equal duration of service, those unopposed candidates will draw lots under the direction of the presiding director to determine who will fill each position. The resolution will specify which candidates have been declared elected for each position. An election will not be held for the unopposed candidates. The Board will direct that the resolution be posted at the Corporation's main office as soon as practical. The resolution also will be read into the record at the annual meeting.

Note: Per Texas Water Code Sec. 67.0055, a person may not, by intimidation or by means of coercion, influence or attempt to influence a person to withdraw as a candidate or not to file an application for a place on the ballot so that an election may be canceled.
